

Dear Parents/Carers

Next week in Nursery will be our outdoor activity week. Children will be able to take part in extra outdoor activities including obstacle courses, treasure hunts, parachute games and they will be introduced to our ever popular mud kitchen! We have waterproof overalls for this.

Please ensure that your child has a waterproof coat with a hood and a pair of named wellies. It is also important that their spare kit bag is fully stocked.

On Friday 19<sup>th</sup> October Nursery children can join in with the School Council fundraising 'Pyjama Day' if they wish to, when children can come to Nursery in their pyjamas and slippers for a donation of £1.

Thank you for your co-operation. We are really looking forward to it.

Mrs E Mayne
