

Dear Parents/Carers

We are very pleased to say that the Nursery children have earned their first whole class treat. They have been collecting parts of 'Mr Potato Head' and he is now complete. These parts have been given to the class for good team work, listening, tidying up, sharing and co-operation.

Next week we will be watching the 'Toy Story' film and having crisps, juice and a biscuit. If you have any issues with your child having the food and drink please let me know. We will do this over two sessions so that all children can participate.

Thank you and well done to all the children

Mrs E Mayne and Mrs Nicholls
