

School Sports Premium Report 2017/18

PE Premium Grant is paid to school in two separate amounts during each financial year. St. Michael's received £14,080 in financial year 2017/18 which together with a carry forward from 2016/17 resulted in a budget for the financial year of £20,598.

During this period the PE Premium Grant was spent as follows:

Resource purchased	Amount	Outcomes for children
Coaching for all children and training for teachers provided by Ed Start PE Coaching	£13,980	Children across school had the opportunity to take part in our Early Sports club two mornings per week and, on a rota, each year group had access to three half terms of extra-curricular sport after school on two days per week. PE lessons were enhanced by professional coaches teaching one lesson per week and school was provided with lesson plans for each year group to develop staff expertise.
Extra-curricular sports opportunities for children across KS2: Rochdale Borough Sports Partnership Heywood Schools Sports Assoc	£150	Children in KS2 developed skills, team-work and competitive sports skills in football, rugby, dodge-ball, lacrosse, hand-ball, athletics, swimming, netball, multi-skills, tri-golf and basketball.
Whole School Outdoor and Adventure Week at Ashworth Valley Campsite and in school using staff expertise in Outdoor Adventurous Activities funded the previous year from Sport Premium	£1,096.39	All children from Nursery to Year 6 experienced a variety of activities from initiative exercises and team building to orienteering and tin can cooking on the school grounds. Every class from Reception to Year 6 spent a day at Ashworth Valley taking part in challenging activities: shelter building, river walk, fire-making, cave bus, initiative activities, orienteering, tracking. Children gained skills within each activity as well as hiking to the site. Year 4 and Year 5 pupils also gained experience of one night away; Year 4 in the Pack Holiday Centre, Year 5 camping out. However, the impact was wider than just outcomes for the week- children discovered that truly challenging yourself and facing your fears brings a sense of pride and well-being and they carried positive, encouraging, can do attitudes into other aspects of life and learning.
Equipment and storage	£566.20	Equipment including bibs, balls etc was replaced/renewed so that children have high quality resources and teachers have sufficient easily accessible equipment to be able to organise the learning for best effect. Early Years outside physical development was also supported.
Playtime equipment and resources	£494.09	Spent by the children of the school council to replenish playground equipment according to their priorities, including goals to encourage competitive sport at playtimes.
Swimming Badges	£60.45	Purchased to recognise Year 3 children's achievements in lesson from September to February 83% achieved or exceeded KS2 National Curriculum expectations.
TOTAL	£16,347.50	£4251 carried forward to financial year 2018/19
