

Dear Parents

Year 2 RE Lessons

For our RE lesson on Monday 16th September I would like the children to bring into school a book that is special to them, so they can talk about why the book is special, how they look after it, where they keep it, when they look at it and if it evokes memories.

For our RE lesson on Tuesday 24th September the children can bring in a Bible from home. We will be talking about the Bible as the Holy Book of Christians and looking at why it is special to so many people around the world.

Thank you.

Mrs N Nicholls
