

is one of the easiest ways you can donate towards your child's future by supporting

 St. Michael's **PTA**

...because our children matter 😊

How it works...

Go to

www.thegivingmachine.co.uk

click **Join** (at the top of the page) then in the **Search** box type:

St Michaels C of E Primary School, Bamford

and click the magnifying glass. Click our listing in the **Matching Search Results** section and then click **Join and Support**, follow the steps to create an account and finish by clicking **Join**.

Every time you shop online, you generate commission.

Just remember, go to TheGivingMachine first, and then choose where you want to shop from there.

Your commission is then converted into donations for our school, which means you're raising funds for our children, for free!

Please use TheGivingMachine

and let's ALL contribute and help to raise much-needed funds in order to further enhance our children's education and pleasure here at St. Michael's.
