

We are making our borough
a great place for everyone to
grow up, get on and live well

We want to build brighter futures
for Children and Young People with
Special Educational Needs and
Disabilities (SEND)

Our new SEND Advice Line will give you information, guidance and access to a range of services across the borough. Working closely with colleagues in the local authority, including health, social care, as well as voluntary organisations.

We provide confidential and comprehensive support to meet the needs of parents, carers, children and young people, as early as possible.
