

SEND ADVICE LINE

Newsletter – 11 NOVEMBER 2024

Dear reader,

We hope this newsletter finds you well. We're excited to share the latest updates from The SEND Advice Line. As a reminder, our service is here to provide you, your staff, Parents and Carers, as well as your school community, with dedicated support for Children and Young People with Special Educational Needs and Disabilities.

Raising Rochdale video - Watch & Share!

Following the October launch, we're excited to share the Raising Rochdale video, which highlights the importance of our strategy and supporting families and students with SEND. Watch the video [here](#) on YouTube. Please feel free to share it with your colleagues and community to help spread awareness.

Reminder: Face-to-Face sessions available

To better support you, we continue to offer face-to-face sessions at our Family Hubs. Attached, you will find the upcoming dates and times – appointments must be made in advance. Additionally, we're pleased to offer a weekly drop-in session every Tuesday at Riverside from 9:30am to 11:30am, for any questions or support needs.

School Sessions – Book us for your events!

Since the recent SEND System event, we've had a wonderful response from schools, hosting sessions with us in attendance. We'd love to continue connecting with schools, please do not hesitate to get in touch to invite us to any upcoming coffee mornings, parents' evenings, open days, or other events. This is a great way to provide support for parents and carers, whilst raising awareness of The SEND Advice Lines services.

We Need Your Feedback!

If you have used The SEND Advice Line, we'd love to hear from you! Your feedback is invaluable and helps us to improve our services. Please take a moment to share your experience by filling out [our feedback form](#).

Welcome to our new team member

We're thrilled to introduce Elizabeth Henshaw (*pictured on the right*), who has joined The SEND Advice Line team. Elizabeth brings a wealth of experience and a genuine passion for supporting schools and families in the SEND community. We're delighted to have her on board.

Thank you for your ongoing support, and we look forward to continuing our work together to support students, families, and staff in your school.

Warm regards,

The SEND Advice Line Team
